

# Menu

Morningstar Golf Club was established in 1991 as a premier golf destination and has been welcoming locals and guests from all over the world since.

Over the course of its storied history, the restaurant at Morningstar has strived to provide memorable dining experiences for all whether it is a quick bite to eat after a round of golf or a leisurely meal with family and friends.

Early in 2023, Chef David Tisdale joined our team bringing with him a wealth of culinary knowledge reflecting both his love of French and Italian cuisines and his interest in exploring and including tastes from around the world.

We hope you are impressed with the many flavours and textures offered – from silky smooth to rich and bold – as you experience the culinary journey Chef David has prepared for you.

Thank you and enjoy!

Chef David
